

To Shawn in the Desert

Did she ^ hurt you, does she hate you , did she - let you in
will you ^ feel that it's resolved if she took it back again?

Can you ^ see her smiling do you hate the way she talks
when she ^ knows what she's saying as she lays you in a box

It's all so ^ beautifully deranged so cosmically creative
she's ^ walking down the hallway with moves so understated

-- and if I never walk this world again
-- i hope i remember the way it was back then
-- and if I never see her face again
-- i hope i can remember - i hope i can remember

she's impossible to be with, impossible to love
but she makes herself attainable but this moment's not enough

... The movie that she's living in was specifically for her to
... star and act and play in to be the rest is all a blur

-- chorus

she's the one that you thought of as they laid you in the ground
the one that you saw when thought of coming down

from the place that we put you at, the place in the east
the place between the living past and the place we need the
least

-- chorus
